FREQUENT QUESTIONS

Phalaenopsis Orchid blooms last weeks!

- With proper care, watering and light, phalaenopsis blooms will last 3-4 weeks.

Orchids Like consistency, not constancy.

- Water once a week on your preferred day, the right spot in the house and your orchid will be happy.
- If you can read a book without an additional lamp, that is the correct amount on indoor sunlight your orchid needs to thrive.

Easy Orchid Accessory Add on Sales

- Gubler Orchid accessories are the same as what we use in the greenhouse!
 - Tags are color coded for easy sales.
